Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Sunday 05 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Warm sunshine this morning. Rain spreading from west this afternoon.

Today:
Most places dry this morning with some warm sunshine, becoming confined to eastern areas this afternoon. Thicker cloud and patchy rain reaching the west coast later this morning, turning heavier this afternoon and extending eastwards later. Maximum temperature 20 deg C (68 deg F).

Tonight:
Rain soon dying out in most places with clear periods developing well inland. Staying cloudy on the West Coast with patches of mist and drizzle remaining. A mild night everywhere. Minimum temperature 12 deg C (54 deg F).

Monday:
Rather cloudy over the Isles and west of Mainland with still the odd patch of drizzle. Dry and brighter further east with some sunshine and becoming warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
Cloudy, damp start to Tuesday, soon becoming dry with warm sunshine extending to all parts in afternoon. Dry, sunny and very warm on Wednesday, then scattered heavy showers on Thursday.
